Re: Notice of Employee Separations

Dear Ms. Triplet:

We are writing to inform you that CHG Healthcare Services, Inc. (“CHG”) recently decided to cease operating its RNnetwork business unit. In connection with this action, CHG will conduct employee separations affecting employees who work at or report to its Boca Raton location at 4700 Exchange Court, Suite 125, Boca Raton, FL 33431. This entire business unit eventually will close. This action is expected to be permanent.

Employee separations in connection with this action are expected to begin during the 14-day period commencing on February 1, 2025. Employee separations will occur in phases.

Enclosed are listings of the job titles of affected employees who will be impacted during the first phase of employee separations, the number of affected employees in each job title, along with their anticipated separation dates. These employees will be separated from CHG employment unless they become employed elsewhere within CHG. We will follow up with you regarding future employee separations as may be necessary.

The affected employees are not represented by a union. There are no bumping rights for any impacted employees. You may contact Andrea Moreira-Alejandro, Senior Director at 954-837-2748, if you require further information.

Very truly yours,

Lynne Gross  
Senior Vice President
